

*Great character, great players, great sportsmanship, and great competitors*

Hello to all past, current and future Club Superior Volleyball players and families! We wanted to take this opportunity to provide everyone with an update of the Club and the upcoming 2018/2019 season.

For those of you who were a part of the Club last year you may remember our exciting announcement at the end of season banquet that we have new leadership! Current Superior High School Head Volleyball Coach Brenda Pluntz has now taken over as Executive Director of the Club with support of the other board members, all of which have a vested interest in the success of your girls and the Club as a whole. As a board we feel this is an important step to further the development of all the girls and we are all excited and eager to help move the club forward.

As a club we want to assure you that your daughter(s) will be priority number one! We hope our Club not only develops them as volleyball players but helps develop them as hard working, successful, committed and respectful young women. We feel their experiences and lessons learned in Club volleyball can help them in all aspects of life both individually and as a team player. After some miscommunication and misunderstandings in recent years we want to assure you that we will be open and honest and keep players and their families as priority number one. We want each girl and family to enjoy the season and have fun!

With families in mind, we are working hard at better tournament selection and scheduling. With some families having multiple girls in the Club at different age levels we are doing our best to pick tournaments that are good for all age levels so that our families can remain together on weekends rather than splitting up. This should also help reduce overall expenses. We are also once again hosting our very own tournament on March 30<sup>th</sup> and 31<sup>st</sup> and hope to build on the success and fun we had last year!!! It was so nice being at home so all of our friends and family could come watch and it was also a great fundraiser for the club!

Speaking of expenses, we are continually looking for sponsorships for the Club to help reduce player fees, purchase new/additional equipment, help pay good coaches and provide some local clinics for our Club players. While we work on contacting local businesses we are also hoping our player families have some ideas/workplaces we can contact. Securing sponsorships helps every single girl and family in the Club. If you have any ideas or contacts please let us know. We are also working on some fun, easy and different fundraisers to help reduce expenses and advance the Club.

Teams will once again be spread out over the ages of 8 to 18 years old and will vary depending on interest. Coaches are expected to consist of current High School coaches, current UWS coaches and players and former experienced club players/coaches.

## What's next.....

We want your feedback, please email us comments and suggestions at [csuperiorvb@gmail.com](mailto:csuperiorvb@gmail.com). We want to have open communication and the board will be meeting again on October 10<sup>th</sup> and would be able to discuss any feedback received at that time.

Let us know if you are interested in playing (include age).....email us at [csuperiorvb@gmail.com](mailto:csuperiorvb@gmail.com)

Please help us spread the word about our club to help us grow and provide more opportunities for more girls! Feel free to forward this letter and informational flyer.

### **Our Club Philosophy**

To develop team players of advanced skills and to create an affordable, enjoyable, challenging experience for youth volleyball in the Superior area. This will be accomplished through the development of individual skills, athletic development and the instruction of volleyball strategies through structured practices and competitive play in organized tournaments.

Juniors Volleyball is a positive, hard working environment where girls learn about volleyball, sportsmanship, teamwork, discipline and responsibility. Participants develop volleyball skills to become better players, while at the same time have fun.
